SPECIFICATIONS

Overview

MOON SILK represents one of the most customized Princess Yachts to come out of their yard. Features include those found on much larger yachts, including a SeaKeeper gyro stabilizer and custom electronics installations at the lower and upper helm locations. Ipad control of the a/v and lighting are conveniently located throughout the vessel. Expanded complete Garmin 8000 series, 12" and 15" MFD at each helm. Garmin HD 64nm, 6kw radar, Garmin sounder, Simrad autopilot, and Garmin data displays. There is no better Princess available in the brokerage market!! Conveniently located in Delray Beach.

DETAILED INFORMATION

Vessel Walkthrough

MOON SILK features a three stateroom, two-head layout. Upon entering the large salon through the sliding glass and stainless steel doors, there is a U-shaped settee to starboard with a circular cocktail table. Opposite the settee on the starboard side, a loveseat is situated behind a 40" flat screen television on a lift. A refrigerator and icemaker are located in separate cabinets with glass storage built into the aft bulkhead.

The galley is up two steps to starboard and offers a full-size refrigerator and freezer and a large sink with a Grohe faucet. Other features include a three-burner Trident ceramic cooktop with backsplash, Fisher and Paykel dishwasher, Sharp microwave oven and abundant drawer and cabinet storage. Under the custom Nero Absolut granite galley worktop is a four-drawer storage cabinet with Princess china and flatware cutouts. Wenge galley and dinette flooring with Wenge accent inlays. Opposite to port is a large U-shaped dinette with high-gloss walnut table surface. Under the aft dinette seat is the perfect location for a storage cabinet containing Nuvo dual Sirius-ready am/fm tuner, KVH TracVision receiver and Zektar zone selector.

The lower helm is located forward of the galley to starboard and boasts two leather pilot seats, with the captain's seat on an adjustable slide. Power windows are located to starboard and port.

Moving forward to the staterooms is the full-beam, mid-ship master, with a queen bed. The master head is on the port side and contains a large enclosed shower, vanity, and VaccuFlush freshwater head. Forward on the starboard side is a guest stateroom with twin beds that electronically convert to a full-bed. Opposite to port is access to the guest/VIP head that features an enclosed shower, vanity, and VaccuFlush head. The VIP stateroom is situated forward and contains a centerline bed with access to the guest/VIP head. A Splendido combo washer/dryer is located under the stairs leading to the salon.
