SPECIFICATIONS

Overview

CLEAN! CLEAN!! CLEAN!!!

This highly maintained Sea Ray 410DA Sundancer has been meticulously cared for. Attention to detail and preventative maintenance is noticeably evident everywhere you look on this spacious two stateroom, two head cruiser.

She is powered by her sought after 385 HP CAT 3126 diesels that have recently had their 1500 hour service completed. These reliable engines provide outstanding maneuverability around the dock and offer the torque required to push this solidly built hull through a sea at a comfortable 23 knot cruise with heading maintained by her autopilot. The 410's are known to be one of the best performing hulls that Sea Ray has built which makes them so highly sought after.

Her canvas was recently replaced with new top, sides, clears and cockpit enclosure. The cockpit Bimini was enlarged to offer additional coverage and is delightfully proportioned to the boat to maintain the classic, streamlined profile that the 410's are famous for.

The Sea Ray 410's are an executive-class sport yacht with as much sex appeal as any of the European imports. Built on a fully cored hull with a wide beam, the 410's two-stateroom floor plan provides luxurious accommodations for six.

The forward stateroom has a full-size pedestal bed as well as private, vacuflush head access. A pocket door closes off the aft sitting room converting it into a private stateroom with twin bunks. A/C and reverse cycle heat is provided by two separate units.

The galley is huge with generous counter space, full size fridge, three burner range, and plenty of storage. High-gloss woodwork, solid surface counter tops, and decorator fabrics highlight the inviting interior.

Topside, the 410 is known as a roomy cruiser and she provides a spacious cockpit area with seating for ten. Aft she has a near water level swim platform with boarding ladder that provides easy access on and off the boat for swimming or SCUBA diving with easy anchoring afforded by her electric windlass. Additional features include a cockpit wet bar, transom storage

locker, and side exhausts.

- *Topsides and hull sides buffed and waxed Fall 2015*
- *New Pro Nautic 12.50p battery charger*
- *Recent 1500 hour engine service*
- *New Canvas*

Due to the outstanding care provided to her this Sea Ray is ready for extensive coastal cruising or out island adventures to the Bahamas. She is one of, if not the finest, diesel 410's you will find and she is priced attractively to market for quick sale.

If you are actively searching for a 40 foot class express cruiser this Sea Ray 410 should be on your short list. She does not disappoint.

Basic Information

Category: Motor Yacht
