Overview

The Leopard 62s are amongst the best luxury charter catamarans ever build. Five large state rooms with individual temperature controls, flat screens and personal heads, showers and vanity area. The salon has a cocktail bar, entertainment center and separate dining and lounge areas, as well as a well-equipped navigation station. The Leopard 62 was one of the first large catamarans to have a fly bridge and sun lounge pad. Good performance under sail and under power will ensure your guests a smooth trip. This luxury sailing catamaran was completely refitted over the past couple of years with new engines, new generators, new soft goods and now she's as good as new!
