SPECIFICATIONS

Overview

Ever since the first of Sunseeker's Predator models was launched back in 1995 these elegant yachts have set the standard for quality and performance in the 50-foot-plus luxury sportscruiser market. Long and slender, the sleek styling of the Predator 60 (called the Predator 58 in 1997-98) has aged but little since she went out of production in 2002. Below, her lush accommodations are arranged with a sweeping settee opposite the galley and a bar set along the port side. Forward is the master stateroom with its en suite bathroom, and twin guest cabins aft share an equally generous head compartment. The cockpit, which seats six at a U-shaped lounge behind the helm, is dominated by an oval sun pad that sits atop a dinghy/PWC garage with a built-in launch-and-retrieval winch. Additional features include a cockpit wet bar, wide side decks, foredeck sun pad, a teak cockpit sole, and stunning wraparound stainless-steel windshield.

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 2001

Year Built: 2001

Country: United States

Dimensions

LOA: 60' 0" (18.29m)
