"Burro III" is a fine example of the 44 Cabo HTX. She is offered for sale by her original owner who is moving up in size. She was thoughtfully customized by an avid fisherman that spared no detail.

Performance

Like many of the latest Cabo's to be introduced in the past few years, the foundation of the 44 Hardtop Express is it's Michael Peters designed hull. From there, the propulsion design, electrical systems and attention to detail in every screw and hinge is executed in the same manner that built Cabo's reputation for creating a rugged and efficient boat.
