SPECIFICATIONS

Overview

The is a twin-screw, three-deck fast displacement motor yacht with a large lounge area and wheelhouse at the bridge deck. Sundeck constructed at the roof of the bridge deck for additional external luxury space. The owner's cabin is situated at main deck, together with the saloon, dining, and galley. Four spacious guest cabins and the crew area for five to six crew in three cabins are situated at lower deck. The round bilge of this fast displacement hull makes the yacht seaworthy and gives her a very economical fuel consumption and long range at lower speeds. Together with the low noise and vibration levels this well-equipped yacht gives great comfort and luxury. Moonen Shipyards will build and fit out the yacht in accordance with their usual reckonable quality standards and deliver it to the principal, after extensive sea trials, in a ready-to-operate condition.
