Fuel Type: Diesel

DETAILED INFORMATION

Walkthrough

The 42 Marquis Sport Bridge is so modern and sleek it is hard to believe it is made in the USA.

Boarding is via the extra wide swim platform and up one step to the Cockpit with an optional teak sole.

The large hinged entry door to port has a matching side light which also opens making the Salon very open when needed.

The black maple hardwood Salon sole contrasts nicely with the U shaped settee to starboard and built in to port.

Down one step to port is the open Galley. Opposite and up two steps is the Lower Helm Area with a comfortable two person bench seat.

Down two steps to starboard is the Guest Cabin with twin bunks. To port the shared Head with stall shower and forward the Master Cabin with a walk around queen berth.

The Sport Bridge is accessed via molded steps on the port side of the Cockpit.

The Helm is centerline with ample seating, a sun lounge and dinette table. A Bimini top protects the forward area.

The Engine Room is accessed via a gas assist hatch in the Cockpit sole.

Salon

Entered via a large door to port, nearly the entire aft bulkhead is glass. Both doors are hinged to open the Salon to outdoors as weather permits.

Immediately to starboard is a two tone C shaped settee with storage below and a pneumatic hi-lo table.. Outboard of the settee are the aforementioned two level Salon windows with drapes at the lower level and LED lights and speakers above the upper level.

To port in the aft corner is a built in cabinet with a Sole 32" LCD TV, two cabinet doors below and the main AC electrical panel. Also in this area is a Kenwood LCD panel AM/FM radio, a six disc changer and two level Salon windows with drapes, LED lights and speakers to match those to starboard.

A two person settee with two storage drawers below is just below the windows and opposite the starboard side settee.

Also in the Salon is blue LED ambient lighting, a CO detector and a snap on aft door curtains for privacy.

Galley

The Galley is next forward and to port and down one small step.

It is L shaped and contains the following equipment:

Hardwood planked wood sole with large storage area below Corian style countertop Princess two burner Ceran top cook top Under mount extra deep stainless steel sink Stainless steel sea rail aft Cuisinart stainless steel microwave Vitrifrigo stainless steel under counter refrigerator w/freezer compartment (3) Under counter lights Backlit 3 shelf glass rack behind curved Lucite door (2) Storage cabinets (2) Storage drawers (3) Dedicated LED lights above Exhaust fan AC vent GFCI outlet Opening window

Helm Equipment

Raymarine Ray 240 handset type VHF Remote Raymarine VHF speaker Raymarine E90W touch screen plotters/radar/depth sounder Raymarine S100 wireless autopilot control 4" Ritchie magnetic compass Tilt helm wheel Volvo electronic clutch & throttle controls Volvo joystick control Lectrotab trim tab controls Golight remote searchlight controls including wireless control Volvo LCD gauge panel (2) Key switches 12 Volt accessory outlet (2) Analog fuel gauges (2) Windshield wiper/washer controls Windlass controls Windshield defogger Blower controls (3) Bilge pump switches Volvo rudder angle indicator CO monitor Double wide helm bench with electronic fore/aft adjustment (2) Doors over 12V DC electrical panel Sensa tank water & waste tank gauge Fold down footrest at helm (2) Storage lockers under helm seats

Guest Cabin

Down two steps and forward is the Guest Cabin on the starboard side. Entering from the front of the cabin there are two berths facing forward with a small nightstand between.

Outboard are two opening round stainless steel portholes with drapes. Above is a two

door storage cabinet followed by a two door auto lit hanging locker and a two door cabinet below.

Also in this cabin are four halogen mini spots, a carpeted sole, two stereo speakers, a CO monitor, a 16" Sole LCD TV, a Fahrenheit DVD player, a 12 volt accessory outlet, a deck level courtesy light and a skylight above.

Head

Opposite the Guest Cabin and to starboard is the yacht's Head. The vanity has two cabinet doors and two drawers below the Corian countertop. The sink is a glass vessel type with countertop faucet controls.

The stall shower has a clear glass door, an opening obscured glass stainless steel porthole, a handheld or wall mountable fixture, a light and an exhaust fan.

Also in the Head is an additional storage cabinet, two mirrored medicine cabinet doors above the sink, a skylight, four halogen mini spots, a marble tile sole and a Vacuflush toilet.

The Head is also air conditioned.

Master Cabin

All the way forward is the Master Cabin with an oversize queen size island berth on centerline from the forward bulkhead. Two drawers under the bed offer storage. The headboard has goose neck type LED reading lights with an escape hatch above. Triangular shelves act as nightstands. Two raised steps port and starboard make access easier.

Behind drapes to both port and starboard are two fixed and two opening stainless steel portholes. Above behind drapes are fixed tinted skylights.

Aft to starboard is a small cabinet with a Clarion M475 AM/FM/CD player with an iPod connection and a separate Fahrenheit DVD player.

Next aft is a two door auto lit hanging locker with a central vacuum inside.

A 20" Sole LCD TV is tilted towards the bed and mounted on the aft bulkhead next to the entry door. An upholstered bench with storage within is below.

To port is a storage cabinet, the Cabin's digital AC controls and a mirrored panel.

Also in this cabin is a carpeted sole, stereo speakers, a CO monitor and seven halogen mini spots. Within the hanging locker is a USB connection to the stereo and a 12 volt accessory outlet.

Foredeck

Fiberglass nonskid deck Welded stainless steel bow rail Molded toe rails Quick DC operated windlass w/rope/chain capstan & dedicated securing cleat Up & down foot switches for windlass w/ stainless steel covers Stainless steel anchor plate w/integrated bow roller Stainless steel strike plate mounted on bow Delta plow type anchor w/ 5/8 line & shot of chain Bomar hatch over Master Cabin below forward cushion (2) Lexan fixed skylights over Master Cabin Stainless steel grab rails at cabin sides Foredeck freshwater wash down Removable bow sun pad cushions (2) Windshield wipers/washers Go-light remote controlled searchlight at bow International Navigation lights (4) Lexan drink holders at sun pad Textulene windshield cover Textulene side window covers Dual spring line cleats

Radar Arch

Raymarine radar scanner Raymarine GPS sensor AM/FM antenna VHF antenna Trumpet horn Raymarine Sat TV dome (2) Sirius Sat radio antennas

Aft Deck

Teak sole over fiberglass deck Vitrifigo Cockpit icemaker Vitrifigo Cockpit refrigerator (6) LED overhead Cockpit lights (5) Overhead pin lights Aft Cockpit seating moves fore & aft electrically Molded swim platform w/teak overlay Stainless steel telescoping swim ladder Freshwater hose bib at transom Hot & cold transom shower Deck level courtesy lights (2) Corner storage lockers (4) Steps port & starboard going forward to side decks (2) JL Audio speakers JL Audio subwoofer Walk through transom gate w/hinged door Grab rail on transom Ensign pole & socket TV/telephone inlet (2) Cleats on transom Large hinged hatch on gas shocks to Engine Room (7) Molded steps to Flybridge on portside of Cockpit

Flybridge

At the top of the stairs is a cabinet with a drawer style drink refrigerator. L shaped settee to starboard with a triangular fixed height dining table.

Aft is a sun lounge with storage below. The portion of the seat facing forward has a pop up backrest.

Bimini top (4) JL audio speakers. (3) Stainless steel drink holders (2) Upholstered helm chairs with flip up bolsters Tilt helm wheel Raymarine ST70 autopilot Raymarine Ray 240 VHF with remote speaker Ritchie 4 inch magnetic compass Raymarine E120 W touch screen plotter/48 mile radar/fish finder Volvo electronic clutch and throttle controls (2) Volvo analog fuel gauges Volvo joystick control Lectrotab trim tab controls Volvo color engine gauge monitor Go Light searchlight control with joystick 12 Volt accessory outlet Windlass switch (3) Bilge pump switches Clarion CMD 6 AM FM CD stereo with satellite radio Venturi windshield with stainless steel frame Helm cover Helm seat covers Seating covers Table cover

Remarks

Actual LOA is 43'7".

Shipped from Canada in 2015 this low hour Flybridge Cruiser is in outstanding condition.

Her low hours and great equipment render her ready to go at a moment's notice.

Hurry, she will ship back to Canada this Spring. Her price was reduced to a very attractive level to facilitate a quick sale!

Exclusions

While every effort was made to list all pertinent included equipment aboard AVANTI, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

Exclusions

Owner's personal belongings.
