## Overview

---

"**Still Loafing**" is a great example of the popular Carver Super Sport 42. Outfitted with Volvo twin diesel 370HP engines with IPS pod drives, with a joystick for docking and maneuvering, it's a breeze to handle even in tight quarters. Low hours (290), regular maintenance and boat house kept, this is a clean boat. Her hull and deck shines, and the teak decking in the cockpit is clean. No smells.

This is the 2 cabin version with two heads (split shower and head for the master cabin), with a lower helm and large flybridge with seating for up to 10.

### **She comes with lots of features, including:**

- **Reverse cycle AC and Heating**, with individual controls in the salon and cabins,
- **10kw Kohler generator**,
- **Full array of electronics**, including Raymarine 380 color chart plotters, autopilot, and an IBM laptop with navigation software and repeater screen on flybridge.
- **Large, inviting cockpit** with teak decks, BBQ, shower, wash down pump, swim platform with electric davit (No tender included).
- **Boat House kept.** (Boathouse is available for sale separately. Located at Columbia River Yacht Club).

*"By constructing an IPS boat, Carver has actually provided even more room for cruising families. With an impressive list of standard equipment, a warm cherry interior, and that wicked-cool ride, the 42 Super Sport just might provide a little on-the-water harmony for you and yours."* - **Power & Motoryacht Magazine**

*"An interior whose dimensions are easily among the largest in her class. The combined salon/galley/dinette of the Super Sport, with its cherry joinery and Ultraleather seating, offers room for nonstop entertaining."* - **Power Boat Guide**

*"Underway, the motors offer amazing grunt and seriously snappy acceleration. The lightly laden boat was powered by sterndrives. Two speeds were noted: 34.6kts at 3520rpm and 22.8kts at 3000rpm. So the cruise speed will be about 26kts at 3200rpm – fast by any measure. Fast and smooth in the rough water, quiet and smoke-free, and with speeds befitting bigger motors."* - **Boat Point**

---

# DETAILED INFORMATION

---

---

## SALON & GALLEY

---

- **To Port**, there are two swiveling, removable seats. Behind it are the AC and DC Distribution panel, and to the right the stereo controls. Above the seating is the flat-screen 20" Sole TV, which you can easily see from the sofa across or the galley. Further forward is the elevated table for 2-3 to have dinner. The table is not fixed, and can be moved outside into the cockpit, or in the salon for dinner with more guests.
- To **Starboard**, there is a comfortable, cream sofa with individually reclining seats. There are two speakers, Reverse-cycle AC/Heating controls, and an additional "red dot" heater on the galley furniture.
- The **Galley** is forward, to Port, and offers double sinks, a two burner electric cook top, microwave oven, full size fridge and freezer (Nova Cool), and a coffee machine.
- **Storage:** Below the floor is a large opening hatch for a storage with steps. This has two empty storages big enough to potentially house a washer and dryer, and also houses a set of spares for the engines and genset, and different types of shore power connectors.

---

## Lower Helm

---

- The **Lower Helm** is to Starboard and raised for visibility. The seat for two is adjustable. Throttle for the two engines. There is a joystick that takes over both engines and the pod drives at the flybridge helm.
- **Chartplotter** - Raymarine E80 Color
- **Laptop (2nd Chartplotter)** - IBM ThinkPad laptop with Navigation software. Has a repeater screen with a mouse on the flybridge.
- **Autopilot Control** - Raymarine ST8002
- **Engine Monitor** - Volvo Penta Digital Engine Gauges
- **VHF** - Standard Horizon GX3000S with Ram Mic
- **Analog Gauges** - For fuel, batteries, oil pressure/temp, RPMs and speed, rudder angle. Space for additional inserts.
- **Switches** for windlass, nav lights, wipers, with space for more.
- **Lenco Trim Tab Controls.**
- **Compass**
- **Searchlight controls**

---

## Guest Head

---

- Located forward of the Galley to Port, the **guest head** is spacious, with a large countertop, and a shower stall separated by a circular sliding acrylic door. There is a vacuflush head.
- **Other features include:** 110 OV outlet - GFCI protected, Head fan, cabinets, Nonskid sole, Holding Tank monitor lights up when tank is 3/4 full.

---

## Guest Stateroom

---

- Located across from the guest head, to Starboard is the inviting **Guest Stateroom**. There is a large double size bed, plenty of storage behind the bed and a hanging locker and drawers when you enter the cabin. Two sets of ports at different levels (Including two opening ports) bring in light and fresh air. Individual AC/Heating control.
- **110 OV outlet** - GFCI protected
- **Countertops** - sapele pommele wood inlay with cherry wood sea rail, Curtains - decor-matched
- **Hanging locker** - cedar-lined, automatic light, mirrored fascia

---

## Master Stateroom

---

- The **Master Stateroom**, all the way forward, is inviting and luxurious-feeling. The cherry wood cabinetry and curtains give the space a nice warm feel. The bed is a queen size with steps on either side to make it easy to climb on.
- There is a **slit head and shower on either side**, accessible directly from the Master Cabin.
- **AC/Heating controls**
- **Hanging locker** - cedar-lined, automatic light
- **Lights** (6) - halogen, overhead, recessed
- **Overhead hatch** - translucent, lockable, inside screen
- **Portlights** (2)
- **Stereo speakers** (2) - with volume control

---

## Master Head & Shower

---

- The **Master Head and Shower** are on split sides, and only accessible from the Master Cabin. There is a vacuflush head. Nice vanity with good storage.
- The **Shower stall** has an integrated bench seat, shower curtain, towell bar.
- **Other Features Include:** Head fan, Nonskid sole, Soap dish, towel ring and toilet paper holder -wall-mounted

---

## FLYBRIDGE

---

- The **Flybridge** is a great space to hang out, with lots of seating for entertaining. There are facing L-shaped Settees that can sit about 6, with a table, a mini bar/service area with a sink, counter, icemaker and storage. Aft of the settees is a wide (about 2 by 4 feet) area for storage. Finally, facing forward is a bench for two to Starboard, and the helmstation for two to port. An arch
- The area is protected by a long, beige **bimini top** and a **venturi** screen to deflect the wind.
- **Sound system:** Poly-Planar stereo and CD player with several Pioneer outdoor speakers, and at the helm a quick control module.
- **Other features include:** 4 courtesy lights near the floor, Self-draining walk surface
- **Arch** is aft and houses the Raymarine open-array, TV antenna, VHF antenna, Radio antenna, and navigation lights.
- Flag pole holder located aft, overhangs the cockpit.

---

## Decks

---

### Side Decks

- **Bow rail** - 1.0" O.D., lineal-buffed, welded stainless steel
- **Command bridge stairway** - integral to deck with stainless steel hand rail
- **Grab rail** - stainless steel, over cabin windows, running length of cabin
- **Rub rail molding** - heavy-duty, stainless steel insert

### Fore Deck

- **Deck toe rails** (2) - stainless steel
- **Locker** - in-deck, self-draining, for fender storage and anchor chain
- **Over-the-stem anchor roller**
- **Maxwell Windlass with 300 Feet of chain**

---

## Cockpit

---

- The **cockpit** is a large and inviting space, perfect for summer dinners, or fishing. Has teak flooring and an overhang from the flybridge that covers about half the space.
- **Magma BBQ,**
- **(2) Rod holders**

- **Hot and cold transom handshower**
- **Hatch** - provides access to aft bilge
- **Lockers** (2) - double doors, in transom
- **Boarding platform with electric tender davit.**
- **Boarding ladder** - telescoping, conceals in boarding platform

---

## Electrical Equipment

---

- Generator: 10 kw Kohler Generator (Engine by Yanmar 29 HP - Model 3TNV82A-G) - around 155 hours. Starter batteries for each engine (Armor Plate Group 31 Maintenance Free)
- Starter Battery for generator (AGM Deep Cycle Batteries)
- House Batteries (AGM Deep Cycle Batteries)
- Isolation Transformer - Isolates your power so you don't have stray currents coming from shore power.
- Battery chargers (2) - electronic, AC-DC converters
- Shore power connector - 50 amp

---

## Mechanical Equipment & Engine Room

---

- Reverso Oil Change System
- Racor Fuel Filters with heat shields
- Aqualift water muffler
- Maxwell Windlass with 300 feet of chain
- Fresh and saltwater washdown
- Air conditioning - 3-zone, with reverse cycle heat
- Fuel tanks - welded, baffled 5052 aluminum
- Lenco Trim tabs - stainless steel, hydraulic
- Engine Room Fire Suppression System
- CO Monitors
- Air Horn

---

## Water & Waste Systems

---

- Fresh water system - pressurized 12V with large-capacity filter
- Fresh water storage tank - polyethylene
- Fresh water tank level monitor
- Shore water connection with pressure-reduction valve
- Waste holding tank - with filtered vent and dockside pumpout
- Waste tank level monitor

- Water and waste lines - constructed of molecularly cross-linked polyethylene
- Water heater - 11 gallons (110V)

## **Exclusions**

---

Owner's personal belongings.
