General

The bridge deck cabin features a spacious table that can accommodate 8 to 10 people. The

starboard hull galley have an abundance of counter and storage space. The crew's single berth cabin is located forward of the Galley passed a separate head that has a Seaflo Macerator head. Aft Of the galley is a double berth stateroom with plenty of storage.

The navigation station with the vessels electrical panel is located in the center of the port hull. All the electrical wiring in this vessel has been update in 1/2016. The owner stateroom is located aft and a guest double berth stateroom is located forward. There is a second head between the staterooms.

This is a very bright and breezing interior; provided by the 8 hatches and 8 windows located throughout the boat.

The cockpit has a hardcover bimini protecting the helm entrance to the salon and a long table and cushion beach. Sailing is easy with the sheets and lines coming back to the cockpit. The cockpit has a large locker located under the impressively strong davits. The two solar panels attach to the top of the davits while a Avon Dinghy is suspended from it.

The forward deck is uncluttered and have many lockers for windlass, lines and additional storage. There are two trampolines at the bow along with two pulpit seats.
