## Overview

---

The style and grace of the Maine lobster boat has long been admired by boaters throughout the world. No builder blends the classical looks with modern construction better than Back Cove Yachts, a division of Sabre Yacht Corporation.

The interior accommodation of the BC 26 is bright and airy. Finished in hand varnished American Cherry, her interior joinery is finely built by Maine craftsman. The space is warming, welcoming and gives a sense of luxury found on much larger yachts. A vee berth with drop down, inlaid table sleeps two comfortably. A full stand up head compartment with privacy door, vanity and sink makes accommodations of other boats in this size range seem inadequate. Her galley includes a 120V AC/12 VDC fridge, stainless steel sink, microwave oven and stove for meal preparation. There's plenty of storage for a long weekend.

The helm and cockpit arrangements makes for a comfortable captain and mate's seats just at the right height for safest and best view of the waters ahead. Her large helm pod is sized to suit a good array of navigational electronics. A generous aft cockpit, with a storage lazarette below, offers comfortable coamings for fishing and plenty of space for socializing with friends and family with the seating aft. Engine access could not better.

Her entire helm deck rises on gas shocks to reveal all of the engine service points and mechanical and electrical systems. No other yachts in the class can claim a better mechanical layout. A bow and stern thruster, diesel engine, dripless shaft seal and zinc saver are but a few examples of the standard equipment found on a Back Cove 26. She is a real head turner in every harbor she enters. Priced attractively, Owner is looking for offers.

***NOTABLE FEATURES; Always Lift Kept, stored under cover Side-Power Bow & Stern Thruster Upgrade Yanmar 240 HP with only 400 hours Hard Top with Isinglass curtains (not installed) Raymarine E 90 Plotter / Radar / Sounder Cherry Interior***
