Model: QSB5.9

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Most long-time boaters know that Formula's series of family cruisers are built to high standards, which is to say they aren't inexpensive. That's certainly true of the Formula 40PC, a high-end express designed for those who place a priority on luxury and performance. With her sleek styling, hard top, and hydraulic extended swim platform, the Formula is as practical as she is handsome. It's her below decks accommodations, however, that set the 40PC apart from much of the competition. Here, a tasteful blend of high-gloss cherry cabinetry, Ultra leather upholstery, and top-quality hardware and furnishings combine to create an impressive display of luxury and comfort. Hidden privacy doors separate the forward stateroom from the main cabin, and the boat. Topside, a hydraulic extended swim platform makes boarding easy. At the helm, a double flip windshield, transom storage locker, and hardtop are standard. (PowerBoat Guide)
