DETAILED INFORMATION

Accommodations

The Hatteras 64' is built with a variable deadrise hull and advanced propulsion technology. The 64' continues with the famed ability of Hatteras to tame heavy seas with ease. CHECK OUT TIME features mezzanine level seating in the cockpit with air conditioning vents located overhead this seating area. There is additional mezzanine seating on the bridge deck aft of the enclosed flybridge.

She also offers a full complement of fishing amenities that will delight even the most sincere tournament angler. The cockpit features 164 square feet of area. There are two large in deck fish boxes, tackle drawers, bait freezer, live well, and plenty of seating. Her electronics package is extensive and well suited for navigation and extreme fishing. The luxurious interior and the comfortable layout is noteworthy. As you walk into the salon to starboard is an interior stair well to the bridge and the 44" TV mounted in beautiful cabinetry. To port is a leather "U"-shaped sofa with storage below all sections. Across to STBD aft of the internal stairs to the bridge is an oversize ice maker and storage all built into lockers.

Just forward is a huge U-shaped galley. There are two sub-zero under counter drawer style refrigerators each with two drawers plus a two drawer freezer. There is a four burner cook top, a convection microwave, garbage disposal and more storage. All mill-work is done in raised panel, high gloss cherry finish cabinetry.

Down the wide companionway to starboard and aft is the entry to the full beam master. There is ample storage in the cedar lined hanging lockers or the twin dresser drawers. The flat screened TV is mounted on the forward wall and private access to the master head as well.

This boat has the optional four stateroom three head layout. She also offers the over/under washer and dryer in the companionway. The starboard bunk-room has its own hanging locker. This room shares the day head accessed in the companionway. The port side guest stateroom has side by side twin berths with a nightstand between. Also featured is a flat screen TV on the wall and private entrance to the head.

The bow stateroom has the center-line Queen sized berth with storage underneath. Dressers port and starboard as well as hanging lockers and hull side cabinetry give you ample room for all your needs.
