Vessel Overview

"Timeless design, an outstanding hull and amazing interiors render the AB78 a milestone of Navigation"

"Silver Lining" will turn heads at every port you enter. With her sleek European lines one can't help but notice her. Leave the dock on "Silver Lining" and you will not only be impressed with her looks but amazed at her performance. Her ultra sleek hull design and CAT C-32 Acerts propel her at a cruise speed of 44 Kts and as fast as 50Kts wide open throttle. Wherever you intend to go you will not only get there looking great but quickly as well.

At the transom you'll find a large garage for a Jet Tender and ample room for all of your watersports accessories. Paddle boards, dive gear, bicycles...you can fit them all.

"Silver Lining" boasts a 3 SR + 2 Crew Layout leaving you with plenty of room for guests and privacy for the Owners. Unlike many of her sistership's Silver Lining was built with a large open galley to port allowing plenty of room. This feature makes the yacht much more accomodating on overnights than simiar european vessels.

The owners cabin runs is placed midship and runs full beam. Tons of storage space, lighting and port hole windows give this stateroom the feeling that you are on a much larger vessel. Complete with haning lockers, chests of drawer and large en-suite

master bathroom "Silver Lining" lacks nothing in this department.

Overall the AB78 has been incredibly well thought out and deserves the attention which she receives. From her looks, to her speed, to her accommodations every inch of the vessel has been carefully thought out and crafted at the highest level.

RECENT UPGRADES:

- Painted Hull (Silver, Metallic)
- Interior Floor refinishing
- Carpet
- All new interior salon (sofas and ottomans)
- All exterior soft goods NEW

All services on vessel are current. She is a turn key, low hour yacht ready for her new home.
