Model: V12

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer's Description

Graceful and spacious, the Sunseeker 80 Yacht enjoys the same attention to detail and scope for personalization as the other graceful models in this range. Below deck arrangements allow for two double guest cabins and two twin guest cabins with crew accommodation in the stern. With a cruising speed of 24 knots, the range is around 350 nautical miles. At full throttle the yacht will provide a comfortable 28-30 knots. She has a large flybridge providing separate helm position, ample seating and sunbathing space while the large aft submersible bathing platform provides plenty of space to carry a tender or jet skis
