## Overview

---

**BLUE REFLECTION** is a modern, sporty Jongert 2100s with exceptional sailing performance and supreme comfort. The double helm position in the aft cockpit affords an optimal view of the sails and the entire deck. Thanks to the balanced rig and underwater hull, this yacht has excellent sailing and rudder characteristics. Top-class workmanship, reliability and safety complete the superb sailing characteristics. The successful mix of classical boat-building, state-of-the-art technology and the individual wishes of the owner, gives this yacht her very own character and charm.

The light interior furnishings along with the teak flooring throughout the yacht, creates an especially elegant and welcoming atmosphere. Amidships sits the Saloon which provides a large dining table comfortably seating six people. The Navigation area inside the yacht features chart table and all the modern navigation equipment. The fully-fitted, professional, galley is situated to starboard. The engine room is easily accessible. There is plenty of storage space in the garage where there is also an integrated bathing platform for those “crystal clear water” swimmers. The semi-open deckhouse, with canopy, provides excellent protection from the wind and rain should you ever get caught out on a voyage. Overall she is an exceptional yacht and would make an amazing holiday experience for any future Yacht Owner.

## Deck Equipment

---

### Hull, topsides and mast newly painted 2012

The semi open deckhouse with canopy merges dynamically with the yachts overall lines. Well protected from all weather, this is an area to enjoy a relaxing “sundowner” or comfortably have dinner at the extendable table. The double helm position at the aft of the yacht has excellent visibility and would make any sailor happy. There is a fully equipped navigation table.
