Hull Material: Aluminum

Hull Configuration: Semi-Displacement

Exterior Designer: Cor D. Rover
Design

Interior Designer: Luca Dini

Engine Information

Engines: 2

Manufacturer: MTU

Model: 16V2000 M84

Fuel Type: Diesel

DETAILED INFORMATION

LAYOUT

The main saloon offers a comfortable seating area aft with a dining table forward, serviced by a port-side pantry directly aft of the yacht's galley. The upper saloon, leads directly to the aft deck space, which features seating under the sun deck overhang and an al fresco dining table aft in a reversal of the more usual upper deck arrangement. The owner's suite is located forward on the main deck. The owner's office and dressing room were designed to form a whole single unit together with the proper cabin that becomes a large and airy suite. The four guest suites are located amidships on the lower deck, comprising a twin and a double cabin between two generous VIP suites. Both the VIPs feature off-centre bedsit order to gain large entrance and living areas. The sun deck is partially shaded by the fixed hardtop and includes a spa pool (made of handmade ceramic tiles), casual seating, and sunbeds.

MACHINERY

Engine Type: MTU 16V2000 M84

Power: 2x1630 kW (2185 hp) at 2,450 rpm Engine hours as per April 2016: approx 900 Generators: 2 x Kohler 80EFOZD, 80Kw, 400V, 50hz Gens hours as per April 2016: approx 2500 Range at 12knots is 3000nm

Gearbox Type: ZF 3360

Ratio: 4,478:1 Shaft Seals: 2 x Rexmar Propellers: 2 x Detra

Stabilisers: Vesper-Naiad, zero speed Bow Thruster: Naiad VT75, 75Kw
