SPECIFICATIONS

Overview

Blue Pearl is the third Swan 70 and was delivered in 2003. Until 2006, the boat was stored ashore and unused while her original owners built a larger Swan yacht. Sold to her current owner in mid 2006, she was set up for a mutli-purpose program of competitive racing and comfortable cruising.

Blue Pearl has proven successful in both applications having won a string of international regattas including the 2007 Rolex Transatlantic Race. As a cruiser, is MCA compliant and features the ideal interior arrangement for charter.

Currently lying in Palma de Mallorca, she is available to visit by appointment.

- Engine was completely rebuilt in 2011
- Reverso oil change pump connected to both engines

Refrigeration Systems

- Two Iceberg refrigeration compressors, one is powered through inverter
- Raritan Ice Maker in saloon

Plumbing Systems

- Seafresh watermaker H2012A 220 L/H

Ventilation System

- Condaria 9002 central air conditioning plant with individual fan coils in each cabin
- Forced air ventilation system

ELECTRICAL SYSTEM

DC System

- Service battery bank 720 Ah 24V maintenance free gel cell type
- Radio/Entertainment battery bank 240 Ah 24V gel cell
- Engine Starting battery 135 Ah 24V charged by independent alternator on engine
- Generator starting battery 90Ah 12V charged by independent alternator on engine
- Battery parallel switch for service/engine batteries

AC System

- 230V 50A Shore power with polarity alarm main switch and cable
- Kohler 13KvA genset – 29 hours on 15th March 2016

Chargers/Inverters

- 150 amp alternator on main engine for charging service batteries
- Mastervolt battery chargers 24V 100A
- Mastervolt battery charger 24V 50A
- Mastervolt Inverter 24/2500
- Mastervolt Inverter 24/1500

ELECTRONIC SYSTEMS

Navigation Instruments

- B&G Hercules Racing Pack including:
 - Remote Commander wireless remote control for all B&G functions including autopilot
 - 8x additional FFD displays
 - 4x 20/20 on mast
 - 2x Analogue wind indicators
 - 2x Magnified wind indicators (analogue)

- Simrad GPS at nav station
- Seabook 15" screen at nav station
- Raymarine RL70 chartplotter/MARPA radar in cockpit
- Raymarine RL80 cartplotter/MARPA radar at nav station
- 2x Suunto 135 mm magnetic compasses on steering pedestals
- Quartz clock at chart table
- B&G Autopilot

Communications Systems

- KVH Fleet 33 satellite communications system for telephone, fax and MPDS internet
