DETAILED INFORMATION

OVERVIEW

VESSEL HIGHLIGHTS

- Factory Hard top w/ full enclosure
- Reliable Volvo diesel engines
- KVH 4 SAT TV
- Full beam master
- Side Power bow thruster
- Low hours
- Cockpit AC
- BBQ grill in cockpit and side refrigerator
- Spare props
- Nautical structures davit aft

VESSEL WALKTHROUGH

Entering the 500 Express from the large swim ladder, you see the 800 Lb davit is concealed and the area on the platform for chocks for a PWC or RIB. There is nice seating to sit on the transom to have a cool beverage with cup holders. Entering the massive cockpit you see plenty of seating and tons of overhead room. The overhead factory hard top also offers a full enclosure to keep the cockpit AC from escaping. To enjoy a summers night, remove the aft enclosure and cook a fabulous dinner with your fresh caught fish or a nice steak! Forward in the upper helm deck is a nice full lounge to port and the helm area which has two nice captain's chairs. Plenty of visibility and easy handling with the aid of the Side Power bow thruster. Going below from the centerline salon door you go down a few steps to a very large salon. The salon, like the upper and lower cockpit offers a ton of headroom. To port is the galley and to starboard is a long flowing sofa. Heading aft is the full beam master stateroom with a queen berth and a head with a shower. The master has decorative large hull side windows. Forward of the salon area is the VIP stateroom which features a center line queen berth. There is an en-suite head with shower and more than adequate locker and drawer storage. The interior has dark wood tones and a great fit and finish. Come inspect Soaring Eagle!
