DETAILED INFORMATION

Manufacturer Provided Description

The 4300 Open reflects its immediate predecessors and also represents future models in the Open Series. With outstanding standard features/optional equipment choices, the 4300 Open is fish or cruise ready, or both. A serious deepwater performer, the 4300 gives a secure platform to aggressively manage sea/weather conditions, with a hull design and power package that provides optimum performance, handling and maneuverability, and fuel efficiency.

UPPER COCKPIT-The 98 square foot upper cockpit features an oversized Stidd electrically actuated helm seat, with wet bar immediately aft (wet bar includes sink, drawer storage ((or optional drawer refrigerator)), and aft prep center, storage under (optional tackle drawers or ice maker available). The port curved companion lounge has a forward-facing swivel seat, and aft-facing mezzanine lounge seat (refrigerator/freezer available). Drop-down engine room access hatch.

LOWER COCKPIT-The lower cockpit includes two insulated flush floor storage boxes, two large floor hatches split into 4 small hatches, molded-in transom door and gate, and 24" x 24" aluminum backing plate laminated into the cockpit floor. Transom options include aft fold-down lounge, or L-lounge, or transom baitwell. The optional L-lounge is available with a teak or fiberglass table, with sun pad conversion. An optional 30" or 42" swim platform with built-in ladder is also available. An optional cruising hardtop or tournament hardtop is available, and, similar to the 3900, 3600 IPS, and 3200 Open Models, optional Tiara Tournament Series (TTS) premium fish equipment can also be specified.

The 4300 Open has a luxurious, roomy interior, with salon/dinette/galley greatroom combo, and two large private staterooms - the forward master stateroom, and the port guest stateroom. Solid teak or optional solid teak and holly hardwood floor throughout. The 4300 also includes a foredeck skylight that provides abundant natural light to the salon, galley and master stateroom.

SALON-The port U-shaped lounge/dinette seats 4-5, and has a high-gloss removable table. The lounge converts to a double lower berth, with the backrest converting to an upper pullman.

The entertainment center is opposite the lounge/dinette, in the salon/galley half-wall divider, and includes a Sharp Aquos 32" flat screen LCD TV and Bose Lifestyle 18 DVD/CD stereo system. Teak companionway entry steps with hinged storage underneath, and trash receptacle. Marine Air Systems 12,000 BTU air conditioner with reverse cycle heat.

GALLEY-The starboard U-shaped galley has Corian countertops, stainless steel undermount sink with Corian cover, under counter storage and large aft galley pantry, two-burner electric cooktop with Corian cover, microwave/convection oven, and Vitrifrigo dual refrigerator drawers and refrigerator/freezer combination.

MASTER STATEROOM-The large forward master stateroom has a bi-fold entry door from the

salon hallway, and a private entrance to the head. Includes queen-size pedestal berth, innerspring mattress, storage compartment and two storage drawers under, starboard cedar-backed hanging locker, upper hullside storage cabinets. Optional underberth rod storage is available. Sharp Aquos 19" flat screen LCD TV with built-in DVD player. Marine Air 10,000 BTU air conditioner with reverse cycle heat cools/heats the master stateroom and head.

GUEST STATEROOM-With private separate entry from the salon hallway, the guest stateroom includes upper and lower bunks, innerspring mattresses, storage under lower bunk, and hanging locker with shelves. Also available is an optional TV with built-in DVD player.

HEAD-The fiberglass head has two full frame entry doors ... one from the salon hallway and another for private entry from the forward master stateroom ... and Corian vanity countertop and sink, mirrored lighted medicine cabinet, upper/ lower storage, and linen cabinet. Stall shower with glass door and integrated fiberglass seat.

LOWER COCKPIT-The large (95 square feet) lower cockpit features portside aft-facing raised mezzanine seating, molded- in steps to deck walkways, molded-in transom door and gate, flush floor insulated storage boxes (with gas assist split hatches), and glassed-in aluminum backing plate for fighting chair.

FOREDECK-Skylight/hatch system, molded-in fiberglass bow pulpit, flush forward anchor rode locker, automatic rope/chain anchor windlass system, and one-piece welded 316L stainless steel bow rail.
