## Vessel Walkthrough

---

Stepping on to the boat at the transom, you will immediately notice the spacious and well laid out cockpit. With dual live-wells port and starboard, dual bait freezers, and a large in-deck fish-box, it is clear this boat is designed and ready to fish. Dual tackle stations, tackle locker, and wash-down sink keep all the essentials near at hand. There are salt and freshwater wash-downs under the gunwale as well.

Stepping up the steps into the helm area, you will see a clean and well laid out center helm with bench seating to port and starboard. To port, you will find your cabin access hatch. The cabin has a v-berth angled to the starboard and a couch to port that is convertible to double bunks. The head is roomy and easy to step into. There is a micro galley with fridge, microwave and cupboard spaces immediately to starboard upon entry.

The tower has wide flat steps to a large second helm station. A bench seat with backrest keeps the captain comfortable no matter the sea conditions. The vessel has great visibility from any topside deck, and easy walk-around spaces.
