Overview

Elegance, harmony, style. These are the most suitable adjectives for describing the Riva 63' Vertigo. Once again, Riva and Officina Italiana Design accepted the challenge of reinterpreting the "Open" creating a model on the borderline with the concept of "coupé". The resulting yacht features the style of all the yard's products. Innovative and different to its predecessors, this yacht features elegance and design. 63' Vertigo's aristocratic lines barely conceal its spirited character. The harmoniously slender profile is emphasised by the roll-bar design, creating a large open area to the rear of the cockpit, accentuating its gritty spirit. Special options on board: - Wi-fi - High-end acoustic - Satellite TV - Karaoke
