## Manufacturer Provided Description

---

In the Bertram tradition of superior styling, performance and comfort, Bertram once again

provides superior boating pleasure and superior long-term value. A cockpit measuring 147 sq.ft. covered in premium grade teak makes the Bertram 570 battle ready, and is fitted with an oversized transom door with padded coaming and gate in anticipation of your tournament class deep-water catch. A versatile bait & tackle center with sink, salt and fresh water faucets, cutting board, extra large top loading freezer and circulating baitwell, all standard equipment, serve to enhance the pleasure of the sport. Offering standard and optional layouts throughout the interior, Bertram ensures that good living will be as inevitable as good fishing. A 16'11" beam affords a spacious and beautifully appointed entertainment area.

---

## Vessel Walkthrough

---

Entering the salon there is a large couch to port with an unobstructed view of the Galley and dining area. This open room design gives the salon an immense feel. The interior decor is very traditional with high gloss cherry woods and deep greens. There is a nice salon table with a wine cooler built in and the dinette area gives additional seating while clearly separating the entertaining area from the usefulness of this eatery. The galley is very open with a distressed wood teak and holly flooring and Sub Zero fridge and freezer drawers. Moving down the main companionway, the interior walls are covered with ostrich patterned leather with cherry gloss accents. There is a built in stackable washer & dryer in this companionway as well. The master is to port and has an oversized bed with a large head / shower. and there is a large Sharp television. All closets are teak lined and the table tops are covered in a high gloss cherry burly wood. There is a bunk room to starboard with twin bunks centered by a small coffee table. Forward is the VIP with an over under set up and all interior appointments follow through.

---

## Fly Bridge

---

Siting on the dual custom Blue water Helmschairs, the immense dashboard on the vessel raises with the flick of a switch. The Furuno Navigation systems allows you to personalize your settings with a centered 12" display and two 15" displays. Dual ACR search lights provide navigation aid and a side power thruster eases maneuverability. Overhead are dual Miya Enock teaser reels and a secondary electronics pod. There are grab rails running along the overhead for safety transitioning into the large seating area forward of the helm. There is an overhead rod & reel storage area and ample storage boxes. A very thoughtful and well laid out fly bridge.

---

## Cockpit

---

The cockpit of this vessel is covered in premium grade teak as well as the gunwales and entry steps. here is an aft gunwale fish box as well as an oversized in deck kill box. There is a large live well and oversized bait freezer. A sink and tackle drawers also compliment this cockpit and overhead there is a custom Pipewelders tower with dual quad Rupp outriggers. Ample rod holders and port and starboard built in storage boxes also make this a truly easy, workable space. Dual cable masters extend shore cords with ease and convenience.

---

## Engine Room

---

The engine room is a great workable area very well laid out and thoughtfully designed. All strainers are marked and placed beneath clear plexiglass partitions specifically designed for their use. There is a machinery space just aft of the ladder which holds the twin Kohler gensets. All racors are easily accessible and the entire engine room is coated in high gloss white urethane which makes cleaning and maintenance a breeze. Water pumps are all Mach 5's and Mastervolt chargers power the D/C system. There is a closed circuit television camera to keep an eye on things while underway as well.

---

## Exclusions

---

Owner's personal belongings.
