# DETAILED INFORMATION

---

## OVERVIEW

---

The 48 Cantius features unique styling and open-concept living spaces. Enter from the cockpit through sliding doors of glass and stainless steel. The integrated double salons invite conversation and allow the sun to flood the lower salon with its looming radiance. Walking into the upper salon, you're immediately greeted by natural light streaming in from the large electric sunroof and the windows that wrap around the entire space. Below deck, the traditional disconnect between the upper helm and lower salon no longer exists. The seamless integration of the upper helm and the lower salon allows an abundance of natural light to pour into the lower salon. The design and layout of the galley aboard the 48 Cantius will have you feeling as though you just walked into a hip and modern chef's kitchen. The full beam amidships master stateroom is peaceful, elegant and impeccably styled. Get ready with ease with the separate vanity and spacious shower stall that comes standard on the 48 Cantius ensuite master stateroom head. Give your guests a gorgeous space to call their own with the forward VIP stateroom on the 48 Cantius. Accessible from the lower salon as well as the private entrance from the VIP, guests will appreciate the spacious main head, complete with sink, split shower, and vanity. In the cockpit living space is a large transom settee with a table, transom gate to the hydraulic platform and tender, ice maker, refrigerator, electric grill, awning, and walk-around side decks to the bow.
