# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

There are certainly many different models in the 35-foot range, but the solid construction and quality fittings and finish of the Tiara 3500 Express make her worth the investment. The 3500 is equipped with a recess for a foredeck sunpad, a 30-inch integral swim platform, a hot and cold cockpit shower, and seating for up to eleven. Cruising on the 3500 Express will feel more like poolside than dockside. With added features like a Quiet-Tone underwater muffler, pre-board remote cockpit lighting, and an adjustable pilot, there won't be a more comfortable and safe ride anywhere. Boasting seven feet of headroom below, and with space enough for three queen-sized berths - plus an array of galley appliances - the Tiara 3500 Express has room for family and friends to cruise without sacrificing any of the comforts of home.

## Dimensions

---
