## Overview

---

The 84-foot (25.7m) SWAGGY offers a rare opportunity to purchase an extremely well built and maintained open motor yacht. Capable of reaching speeds of 41 knots and comfortably cruising at 33 knots, her performance is truly remarkable. Designed by Alberto Ascenzi, the exterior went under a full €1,500,000 remodeling in 2015 to bring the exterior design inline with the 2016 Continental 80 range.

SWAGGY was launched in 2008 by Cantieri Navali del Mediterraneo as their flagship yacht, combining their design expertise with highly attentive engineering to build a yacht at top end of the market. SWAGGY offers world-class sound and vibration-damping systems that are unrivaled on any yacht in this range.

SWAGGY's handsome profile incorporates a vast foredeck and a sports bridge with further open bathing area. During the 2015 refit, the aft salon doors were removed to allow an open flow from the main salon out to the aft deck dining area. A tropical air-conditioning system was fitted to ensure that the interior is kept cool at all times.

The yacht's interior features a great accommodation layout for both owner and guests with four spacious cabins available. The owner's cabin has a double bed with a comfortable seating area, followed by the VIP cabin and two more guest cabins – all of which have ensuite facilities.

SWAGGY was built for an experienced yachting family who has maintained her to an impeccable standard with no expenses spared. Following the yacht's remodeling in 2015, there are very few yachts in the range that will compare to SWAGGY for performance, condition and build quality.

## Overview

---

The 84-foot (25.7m) SWAGGY offers a rare opportunity to purchase an extremely well built and maintained open motor yacht. Capable of reaching speeds of 41 knots and comfortably cruising at 33 knots, her performance is truly remarkable. Designed by Alberto Ascenzi, the exterior went under a full €1,500,000 remodeling in 2015 to bring the exterior design inline with the 2016 Continental 80 range.

SWAGGY was launched in 2008 by Cantieri Navali del Mediterraneo as their flagship yacht, combining their design expertise with highly attentive engineering to build a yacht at top end of the market. SWAGGY offers world-class sound and vibration-damping systems that are unrivalled on any yacht in this range.

SWAGGY's handsome profile incorporates a vast foredeck and a sports bridge with further open bathing area. During the 2015 refit, the aft salon doors were removed to allow an open flow from the main salon out to the aft deck dining area. A tropical air-conditioning system was fitted to ensure that the interior is kept cool at all times.

The yacht's interior features a great accommodation layout for both owner and guests with four spacious cabins available. The owner's cabin has a double bed with a comfortable seating area, followed by the VIP cabin and two more guest cabins – all of which have ensuite facilities. The interior AV system was upgraded in 2015 with further cosmetic and system upgrades due for completion by summer 2016.

SWAGGY was built for an experienced yachting family who has maintained her to an impeccable standard with no expenses spared. Following the yacht's remodeling in 2015, there are very few yachts in the range that will compare to SWAGGY for performance, condition and build quality.
