Manufacturer Provided Description

Don't bother comparing the R245 with rivals. They don't compare. When it comes to the tale of the tape, the R245 has up to six more inches of cockpit freeboard, a four inch wider cabin entryway and an in-floor locker that's triple the size of the leading competitors. And the Robalo advantages don't stop there. Attention to detail is unmatched. Blue LED courtesy lights add a special glow. A premium sound system keeps you tuned in. Dual fiberglass bucket seats provide a comfort factor not found on rival Walkarounds. Six horizontal tubed rod holders, Plano drawer storage, a cast bronze sea strainer and a huge livewell get it done for serious anglers. Twin 40-gallon fish boxes keep your catch on ice until you can get a filet knife in hand.
