SPECIFICATIONS

Overview

Extremely well kept and powered with a reliable Caterpillar 300hp diesel engine, coupled to A ZF marine reduction gear. This excellent vessel features a bow thruster and articulated rudder for easy maneuvering. Fully enclosed flybridge, Marine Air reverse cycle heating and cooling afford comfortable cruising year around. The swim platform has been customized for internal storage, underwater stern lights, kayak mounts, PYI dripless shaft and winter canvas make this a very special vessel ready to cruise.
