Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough or Overview

Entering the massive teak cockpit of the 92, the first thing you notice is the well thought out layout, versatility, and functionality of the boat. As you move up the port and starboard stairwells, you will notice the dual level air conditioned mezzanines, as well as an al fresco style dining area. The outdoor dining area also has two electric grills and a flip-down television in the overhang and includes stairwell access to the upper aft deck.

Just through the large double electric salon doors, you are greeted to a large salon with panoramic views. To port, is the sectioned L-shaped sofa and to starboard is the wet bar, entertainment system, and stair case access to the enclosed flybridge. Just forward is a full size gourmet galley with bar stool seating and also a dining area with seating for six. Forward to port is the day head and large pantry-style storage to starboard. Heading down the companionway and stairs back to the stern is the full beam master stateroom with a large walk-in closet, custom vanity and desk, and sitting area. The master head has dual vanities with a large, glass encased walk-in shower. Back up the stairs in the companionway is the Captain's quarters with an en-suite head. The laundry room is equipped with full washer/dryer and is located in the companionway headed forward, as well as the storage linen closet.

To starboard is a guest suite with a walk-around queen size bed and an en-suite head. Just forward to port is another guest stateroom with queen size bed and an en-suite head. All of the way forward is the VIP stateroom with a queen bed and an en-suite head as well. The enclosed bridge includes a comfortable large L-shaped sofa, wet bar, entertainment system and ample seating to port and starboard at the helm. On the aft deck of the bridge, to starboard, is the aft helm equipped with full electronics and controls, to port is air conditioned seating overlooking the cockpit. The crew quarters are accessed through the cockpit and have self-contained accommodations with a galley, washer/dryer combo, full head, as well as over and under bunks with hanging lockers. The engine room is just forward of this area and houses most of the mechanicals of the boat with access to all machinery.
