Overview

2006 Tiara 3600 Open - Aggressively Priced - 380 HP Cummins Diesel Power - Professional Maintained

This 2006 Tiara 3600 Open shows very well thanks in part to both previous and current owners who took pride in ownership. All services done on an Annual basis. The vessel is professionally cleaned and maintained. The previous owners never fished, and while the present owner installed outriggers, he did not have much time to use them. This Tiara 3600 Open is ready for a new owner and is shown by appointment.

The Tiara 3600 Open was a popular model designed for both cruising and fishing. This one has experienced very light usage on the Cummins diesel engines and generator.

Tiara Yachts is known for its solid, dependable hull design, flawless gel coat finish, standard integrated composite windshield and hardtop, teak and holly sole and high-grade stainless steel hardware. Tiara yachts are designed and built for discriminating boaters who look for confidence and dependability.

This 3600 Open is aggressively priced for someone looking for an opportunity to own one of the most reputable boats in the market.
