Manufacturer: Cummins

Model: QSC 540

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

V-Berth

Located on forward bulkhead is access to custom anchor locker with custom built shelves, pre-wired for windlass and freshwater hook up. To Port and Starboard and above are 26 custom rod holders. Just below the center cushion of the berth is a lift up hatch to give access to the Raritan electric head.

- (12) Over head rod storage
- (9) Port rod holders
- (9) Starboard rod holders
- (2) Incandescent reading lights (1 port and 1 Starboard)
- Anchor locker
- Storage under berth
- (2) JBL speakers
- Large hatch over berth

Galley

In the galley area you will find plenty of counter space with a microwave to port and pantry storage to starboard and the floor is teak and holly. There is a custom built tackle center to port as well as your breaker panel and thermostat controls for your chiller boxes and A.C. Under the port counter you will find access to your Dometic air compressor and a fire extinguisher. To starboard is a cabinet perfectly suited for dry storage items. There are (3) individually controlled chilled boxes that can be set from freezing to refrigerated depending on your demand. All the above lighting have been upgraded to LED.

- Paneltronics circuit board (32) 12V breakers, (16) 120V breakers
- GE Microwave
- Clarion 12V stereo
- Stainless sink (Hot/Cold)
- Custom tackle cabinet
- Strip LED lighting (4)
- Rule 1500 bilge pump (under sole)
- Dometic AC compressor
- (3) Climate controlled boxes
- JBL amplifier
- Sirius XM weather
- (2) Furuno sounder boxes
- Raritan electric head

Helm

The air conditioned helm area is surrounded by a 7 panel enclosure with (3) hard polycarbonate sections on the front complete with a one of a kind U-Zipper panel in center. There is a large bench seat to port with gaff/rod storage beneath. To starboard you will find the helm station with a captain's Release helm chair. An overhead electronics box completes the area. To starboard is additional bench style seating with storage below. To aft port and starboard are additional storage compartments. Above you will find your recessed Krystal teaser reels that run through the hard top to your 36' Rupp outriggers. In the sole you will find your access to the engine room for daily maintenance also the sole is operated by (2) electric rams to provide full engine room access.

- (4) Recessed Tri-Color LED lighting
- Air conditioned
- Krystal teaser reels
- 7 Panel enclosure
- (3) JBL speakers
- 110V outlet GFI
- Release helm chair
- Rod/gaff storage
- Engine room access
- Lots of storage
- 12V outlet
- Kobelt single lever controls
- Palm Beach style helm pod
- New enclosure 2015

Electronics

- (3) Furuno navnet VX2
- (2) 3KW transducers (Flush mounted)
- (2) CM Smart Craft engine digital displays
- Clarion CMD4A XM radio
- Furuno RD30
- Ritchie compass
- Icom ICM-602 VHF
- Furuno NavPilot autopilot
- 12KW Furuno radar
- JBL stereo amplifier
- (5) JBL speakers
- Sirius XM weather
- Running lights

- Anchor light
- EPIRB

Cockpit

The teak covered cockpit and Release fighting chair highlight the fishing platform of this boat. To starboard you will find a 75 gallon live well powered by an aerator and a separate circulation pump. Under the starboard and port gunwale are (2) large storage compartments housing your fresh and salt water outlets, (2) 12V electric reel outlets and (2) 30 amp power outlets. Above the on the covering boards port and starboard are (6) swivel mounted rod holders. To port is another custom tackle center with a bait prep station on top. In the center under the step are your (2) Fuel tank fills and custom lead storage boxes. In the sole is a large stainless steel macerated fish box powered by a separate chiller compressor with a Eskimo Ice chipper plumbed in as well. Aft is your lazzerette access. Mounted on the aluminum ladder and hardtop are (14) Rod holders with a blue/white LED Spreader light.
