Overview

Just as beautiful on the inside as she is on the outside...classic Bob Perry design, seaworthy and strong!

The seaworthy gem has **\$20,000 in recent upgrades!** She's sitting in a great do-it-yourself boatyard in NE Florida with very reasonable long term storage rates. All she needs is a little bit of love and attention and she'll be ready to take you anywhere.

She is a classic bluewater Bob Perry design, comfortable and seakindly, with a canoe stern and an absolutely beautiful teak and holly interior with exquisite joinery. These are sought-after oceangoing cruisers, for good reason. The full keel is solid and integral, and the hull is built of thick and heavy fiberglass, with no blisters. The teak decks are in great shape. The blue gelcoat hull sets her apart from other Baba 35's and makes her one of the prettiest ones out there.

Her interior joinery and craftsmanship are exquisite, making her just as beautiful on the inside as she is on the outside. Come see her!

The interior of this vessel is striking, with teak joinery that far exceeds the average build. Upon entering the companionway, there is a u-shaped galley to port and a spacious quarterberth and nav station to starboard.

The centerline table folds out to accommodate 6 people easily, and there is beautiful woodwork and detail all throughout the salon. The cushions are new and look great. The signature stained glass trademarks the Baba 35--this one is of a swallow. See the photos! It's beautiful.

The v-berth has an insert to make it into a double, and the head to port is large with marble and teak detail. There is excessive storage, and the living space on this boat is comfortable and incredible!
