Vessel Walkthrough

"Lady Z" accommodates eight owners/guests in four staterooms. There are three staterooms for crew; Captains quarters are separate and aft.

"Lady Z" offers a large salon with walk-behind step down bar to port and formal dining in the forward section of the salon. There are custom buffet cabinets for storage of formal dinnerware and a wine cooler for 50 bottles. From the salon to the aft deck you enter through large stainless steel counter-balanced automatic double doors. U-shaped aft deck seating and occasional chairs facing aft for ultimate viewing.

Going forward and to starboard is the large "country kitchen" style galley. The galley offers a pull-out pantry and Lazy Susans in the corner. There is a full array of top-end appliances for entertaining. Her layout provides a very open feeling with casual raised U-shaped seating and two occasional bar stools that can be pulled over for more seating. This area of the vessel is the most popular due to the casual nature of the exhibition-style galley. The granite countertops from the salon have been carried throughout the main deck to include the galley, dinette and forward counters. The cabinets and other doors are solid wood in a long-end grainy effect, a costly manner of joinery (butcher block long end grain), in lieu of the typical manufactured hollow doors with veneer skins. The VIP guest stateroom is located all the way forward down to the lower deck from the galley. This stateroom is secluded and features an en-suite head and walk-in closet.

Aft Deck

The aft deck offers accommodations for entertaining, she features large U-shape seating with new teak deck table, bar, refrigerator, icemaker, sink with hot & cold water and storage. There is also a hand-held shower with hot/cold water. Storage lockers in

bulwark, spiral staircase up to flybridge and down to crew quarters; speakers and volume control and recessed lighting in the overhead on aft deck combing.

- Sliding doors with side safety sensors for small children, motion sensor and push button sensor for entry
- Galley Mate by Yacht Mate filtration and purification for drinking water with 3-gallon reservoir with faucet on aft deck sink and main salon bar
- Custom built swim ladder for swim platform
- Aft deck TV with custom mount from ceiling
- New teak overhead treatment
- New cushion covers (2015)
- New teak decks (Teak Decking System 2015)

Salon

The salon is entered aft through the custom stainless steel framed sliding door from the aft deck. To starboard and aft is a custom built-in sofa with end table, buffet cabinets with countertops throughout and two closets. The salon features an entertainment center with custom lift-up cabinet 60" Samsung, audio/video storage and custom storage for CD's, Home Theater system with Speaker Craft audio network and keypad controls in all main areas. There is a vaulted ceiling fixture over the formal dining area. Lucite storage cases provided for china, stemware and silverware. Duette blinds with custom blind pockets. The full bar in the salon includes sunken floor, built-in icemaker, storage, rope lighting under counter edge and upholstered base on front of bar.
