Exterior Designer: Ed Monk, Jr.

Interior Designer: Ed Monk, Jr.

DETAILED INFORMATION

Remarks

NEXT VENTURE is a popular Ocean Alexander Pilothouse Motor Yacht designed by Ed Monk and owned by a knowledgeable yachtsman. Due to the owner's experience, NEXT VENTURE is maintained with an open check book at all levels. Many custom features were added during her build like upgraded HDTV & Sat TV true out, teak plank and ebony pilothouse and galley floors instead of laminate, Teak FB table, **and extended Caterpillar C18 warranties will give her new owner the added security through OCTOBER 2019.** Her dual 50 Amp shore power supplies, dual generators, Charles ISO booster gives the owner flexibility and redundancy. Her engines were serviced solely by authorized Caterpillar Service Centers as required in September 2016. Exhaust systems were replaced and upgraded with stainless steel and hard-coated by DeAngelo Marine Exhaust in 2011. Check out her detailed specifications and compare. Recent September 2016 bottom paint, Prop-Speed and hull wax.

Accommodations & Interior

- Teak paneling and cabinetry
- European style door handle
- Round top corners cabin, entrance doors
- Push button handles for drawers and cupboards
