SPECIFICATIONS

Overview

Her name is "Legacy" for a reason. This tough ketch is just as functional as she is beautiful. She has very nice lines. Designed by Eric White and Arthur Berry and built in America in 1981, she gives you the impression that you can go anywhere. The current owner has owned her for over ten years, and has cruised the East Coast with her. He repowered her in 2006, and has lovingly maintained her.

The pilothouse gives the impression of being aboard a small ship, providing sunlight and ventilation inside the cabin. The galley and the nav station and helm are in the pilothouse, and then there is seating, a bunk, and storage below, all leading to a large v-berth and ample head.

On deck, the teak detail is part of what makes this boat stand out. She is solid fiberglass and looks every bit as tough.

Among the many great things about Legacy are:

- **ALL NEW MACK SAILS--main, mizzen and genoa**
- **New engine in 2006**
- **Teak cockpit grate**
- **12 Volt refrigeration**
- **Fresh bottom job**
- **New Garmin GPS Map**
- **Two new VHF Radios**
- **Newport by Dickinson wood stove**
- **More than ample storage**
- **110 gallons of water and 88 of fuel for long-range cruising**
- **Legacy Specs Keel: Fin Dimensions LOA: 37 ft 8 in Beam: 11 ft 7 in LWL: 30 ft 2 in Minimum Draft: 5 ft 0 in Displacement: 18000 lbs Ballast: 5500 lbs Engines Engine 1: Engine Brand: Yanmar Year Built: 2006 Engine Type: Inboard Engine/Fuel Type: Diesel Tanks Fresh Water Tanks: 1 (110 Gallons) Fuel Tanks: 1 (88 Gallons) Accommodations Number of single berths: 3 Number of double berths: 1 Number of cabins: 1 Number of heads: 1 Electronics VHF Depthsounder Log-speedometer Wind speed and direction Plotter Compass Navigation center GPS Sails Battened mainsail Genoa Rigging Steering wheel Inside Equipment Manual bilge pump Refrigerator Battery charger Electric bilge pump Oven Marine head Electrical Equipment Shore power inlet Outside Equipment/Extras Davits Cockpit cushions Solar panel**

Engines

Brand new Yanmar Diesel installed in 2006! Low hours!

Accommodations

Pilothouse adds space and luxury!

The pilothouse offers sunlight and ventilation inside the cabin, as well as an interior as well as exterior helm station for cruising in less-than-perfect weather. The interior is beautifully appointed with teak and holly trim, and the woodstove lends a warm and comfortable feel.

The galley is to starboard immediately after you enter, and the nav station and helm are to port. The engine is located under the salon floor, and is easily accessible for maintenance.

Stepping down a level, there is seating, a bunk, and storage below forward of the pilothouse, all leading to a large v-berth. The head is roomy and the v-berth comfortable.

Extras

- ALL NEW MACK SAILS--main, mizzen and genoa
- New engine in 2006
- Teak cockpit grate
- 12 Volt refrigeration
- Fresh bottom job
- New Garmin GPS Map
- Two new VHF Radios
- Newport by Dickinson wood stove
- More than ample storage
- 110 gallons of water and 88 of fuel for long-range cruising
