## Overview

---

The Post 42 among one of the best of the mid-range sport fisherman. Her flat after sections and her flared bow relatively make her a dry boat with good bow lift and speed. Inside somewhat dated Mahogany wood was standard. But the salon appears larger than the dimensions suggest. Her two- stateroom layout has the master stateroom located amidship and stacked single births in the forward stateroom. And they are always built on a Fiberglass hull. This boat is a very well kept boat for it age the motor compartment is very nice not any corrosion on the motors to speak about they look really nice. The owner is encouraging all offers. Don't miss this boat will make a great charter boat or just a good family fishing machine.
