DETAILED INFORMATION

Manufacturer Provided Description

Whether you receive extra guests or weather conditions take an unexpected turn, flexibility is the name of the game for a cruising boater. To meet those changing needs on the water, Meridian designed its 411 Sedan to provide unsurpassed living spaces for up to six people while retaining the character of a true sedan bridge. The 411's generous master and guest staterooms each boast innerspring pillowtop mattresses and impressive storage, her dinette converts to a comfortable double bed and her expansive salon features living-room-style seating for all aboard. Yet with her molded-in steps and wide side decks, a couple can easily manage this yacht when the guests have gone home. And that's what flexibility is all about.
