SPECIFICATIONS

Overview

This spectacular Offshore 80 Voyager will meet all your desires for a fun but serious and comfortable cruising yacht. This is a three stateroom, dual-stairwell configuration (private stairwell access to the Master) with separate crew cabin, enclosed wheelhouse with excellent visibility, and full 360-degree exterior walk-arounds at both main and wheelhouse decks.

Creature comforts abound. For instance, Apple streaming TV and Kaleidoscope movie collection access insure endless entertainment options. Additionally, climate control is operated by touch pads in each room and area so that everyone can modulate their own environment.

Deck space for entertaining and toys is unparalleled, and all areas are carefully thought out to maximize their livability.

Recent major improvements include *all new* electronics and navigation systems with redundancies throughout. All new hydraulics for the stabilization and bow/stern thruster systems have been installed. A new watermaker with separate reverse-osmosis purification for dockside water insures clear, clean water wherever you are.

If business is to be tended to, the yacht's Inmarsat internet and data transfer capabilities will keep you in full contact with the outside world.

Air conditioning has been upgraded and improved with two new chillers and air handlers outfitted with "Breathe Easy" in-duct ultraviolet light purification systems.

There is a brand new professional interior décor. Along with all new exterior cushions and teak furnishings.

All this with Offshore's "softest ride on the water," and a price set at less than 50% of replacement value.

Basic Information

Category: Motor Yacht

Sub Category: Tri-Deck

Model Year: 2003

Year Built: 2002

Country: United States

Fly Bridge: Yes

Dimensions

LOA: 80' 11" (24.66m)

Beam: 21' 6" (6.55m)

Min Draft: 5' 7" (1.70m)

Speed, Capacities and Weight

Displacement: 178000 Pounds

Water Capacity: 600 Gallons

Holding Tank: 315 Gallons

Fuel Capacity: 3000 Gallons

Accommodations

Total Cabins: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3406

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Recent New Features & Maintenance

- New tender
- New bottom paint (Nov '14)
- New décor inside and out includes - New carpeting, soft goods, custom canvas covers, new exterior cushions
- All air handlers updated
- New A/C chillers
- New oversized 12-square-foot stabilizer fins
- Running gear removed and tested
- Dripless couplings replaced
- Water filtration system - Dock water and watermaker output is filtered through a "spot free" filter system

Electronics

- Maretron Black Box Vessel Monitoring System
- Furuno Black Box TZT system
- Furuno 25kW UHD Navnet 3D radar
- Furuno 12kW UHD 4' Array Navnet 3D
- Furuno Digital sounder Navnet
- Furuno Auto Identification AIS
- Furuno Satellite compass
- Simrad AP70 Autopilot Package
- Simrad RF300 rudder feedback with linkage
- Simrad RPU-80 reversible hydraulic steering pump - works with autopilot computer
- Tri-Americas KVH HD7 U.S./Latin Sat TV
- (4) KEP Marine Sunlight Glass Bridge 19" displays
- T Bridge 7" view-only monitor
- FLIR thermal-imaging camera system
- Carlisle & Finch spotlight
- Exalto wiper controls

Mechanical Equipment

- Two PTO driven hydraulic pumps at main engines for bow and stern thrusters, anchor windlasses, and stabilizers with automatic back up

- Wesmar roll-fin stabilizer system
- Wesmar hydraulic dual-prop bow and stern thruster system with three station controls
- Two Maxwell 4,000lb hydraulic bow anchor windlasses with hand-held remote control and wheelhouse controls
- Two 110lb stainless CQR bow anchors with 300' x 1/2" HT chains
- Salt-water washdown at bow and stern
- Tecma fresh-water head system
- Nautical Structures Euro 2,500lb davit with hydraulic rotation
- Marine Air chilled-water air conditioning and heating system
- Fire Boy automatic fire extinguishing system with automatic engine shutdown
- Reverso 24v oil change pump
- Dual Buell low-profile air horns with 120v compressor
- 1,200gpd Sea Recovery reverse osmosis watermaker
- Nutone central vacuum system
- Two Gaggenau stainless electric grills at boat deck

Electrical System

- Northern Lights 20kW (4300 hrs) and 32kW (4300 hrs) diesel generators, 24v start with sound shield and gas/water separators for exhaust system
- Four 8G8D batteries for main engine start
- Two 8G4D batteries for generator start
- Ten 8G8D batteries for ship's 24v system
- Two Trace 4kW/120amp inverter/chargers for charging ship's system with interface for 8kW
- Newmar 24/20 engine battery charger
- Newmar 24/35 ship's system stand-by battery charger
- Two 60amp, 24v alternators for engine system
- 24v and 12v back-lit distribution/circuit breaker panels with amp and volt meters
- Two 240v Glendinning Cablemasters with two 50amp 100' shorepower cables
- Marinco shorepower 125/240v 50amp phone and TV cable inlets at ports and starboard sides
- Charles Marine Iso-Boost shorepower isolation transformers for voltage regulation
- Vanner 24v to 12v 60amp transformer
- GFI breaker protection
- 120v/240v breaker protection at each source
- Electrolysis bonding and grounding system with copper strapping connected to zinc plates
- Shielded wiring for stereo and TV/VCR speaker systems
- High quality shielded RG-6 co-ax for TV
- Tinned high-temperature wiring

- Panasonic phone system
- Windgard TV antenna booster with selector switch
- Tokai Sunshine searchlight with remote controls at wheelhouse

Propulsion System

- Twin 3406 Caterpillar 800hp diesel engines, IRM 350A 2.64:1 gears with Centa dampening, PTOs vibration dampening mounts, and 24v / 60amp alternators
- Aquadrive propulsion system
- #316 stainless exhaust risers connecting to FRP underwater system with bypass pipes to Aqua Quiet mufflers
- Aquamet HS #22 propeller shafts
- Bronze V-struts with cutlass bearings
- Four blade Nibral expanded-ratio computer-designed propellers
- Tides dripless propeller shaft seals
- Twin Disc electric engine controls at wheelhouse, second station controls at starboard aft deck, and remote controls at Portuguese bridge
- Hynautic power steering system
- Engine room start/stop panels with engine gauges
- Visual and audio alarms for engine systems at wheelhouse

Engine Room & Bilges

- Welded stainless engine beds
- Marine grade aluminum fuel tanks and one vinylester FRP fuel tank
- Fuel manifold system for supply and return management
- Sight gauges with protective guards at fuel tanks
- Marine-grade seacocks for through-hull fittings
- Full-flow stainless ball valves for all piping systems
- Dual Racor marine filter system with vacuum gauge for main engines
- Dual Racor marine filter system with vacuum gauge for generators
- Six 24v heavy-duty bilge pumps with alarms at wheelhouse
- Gate valves at each watertight structural bulkhead
- Headhunter integrated tank level monitoring system for all tanks
- Whale high-output manual bilge pump
- Main engine raw water intakes plumbed with Groco safety seacocks for emergency bilge pump
- Delta T engine intake system to minimize water ingestion
- Two Delta T 11" 120v engine room blowers
- Headhunter 120v fresh-water pressure pump with filter and accumulator tank
- Headhunter 120v stand-by fresh-water pressure pump
- Flojet 24v circulating pump for hot water system

- Allcraft stainless hot water heaters - 35 and 12 gallon
- Rule 24v sump tank pumps with Rule Super Switches
- Dockside water pressure connection
- Central drain systems minimizing through-hull fittings
- Bronze marine seacocks on all through-hull fittings
- Bronze sea strainers for engines
- Tides dripless shaft bearings and seals at rudder logs
- Hydrodynamic rudder design
- 285gal holding tank with overboard and deck discharge
- Insulation material at overhead and forward and aft bulkheads
- 24v lights and 110v fluorescent lighting
- Stainless safety rails inboard of engine stringers

Main Deck

- Two-tone non-skid decking
- Full teak caprail
- #316 stainless handrails, including screws, bolts, and nuts, welded and polished
- Bow seat with port and starboard storage lockers
- Port bulwark door
- Marquipt 6-step boarding ladder
- Stairway to engine room from port side main deck
- Ladder up to boat deck from starboard side main deck
- Hatch/door to lazarette and crew cabin from port side aft deck
- Stainless hawse holes with cleats
- Waterproof safety deck lights
- Recessed waterproof overhead deck lights
- Fresh/salt water washdown faucets at bow and stern

Aft Deck

- Twin Disc engine controls, rudder indicator, star/stop, tachometers and bow and stern thruster controls at helm
- Custom Epi wood decking
- Aft deck flood lights
- Hand-held shower and washdown faucet at swim platform
- Port and starboard storm doors
- FRP molded bench seat with built-in gasoline tank
- 2 Dining tables (Epi wood)
- Port storage cabinet and stairway to crew cabin and lazarette
- Starboard storage cabinet with SubZero refrigerator/icemaker and covered sink
- Stainless swim ladder at integral swim deck

- Four removable stainless U-handrails at sport deck
- Port and starboard lockers at swim deck
- Watertight door to lazarette from swim deck

Wheelhouse

- Helm station with complete engine instrumentation and function alarms
- Twin Disc engine controls, Hynautic steering, and bow and stem thruster controls
- Ships function panel with indicator lights
- Rocker switch panel for functions
- Three Stidd helm chairs
- Two overhead ventilation hatches with sliding screens/shades
- Exalto stainless articulating windshield wiper system with washer system
- Delta T ventilation with 8" 110v axial fans and variable speed controls
- Chart and navigation storage cabinets
- Raised bench seat with hi-lo table
- Wheelhouse access from lobby and starboard side main deck stairways
- Port, starboard, and aft FRP cabin doors
- Halogen overhead lighting with dimmer controls

Portuguese Bridge & Boat Deck

- Twin Disc electronic engine controls with handheld remote and thruster functions
- Fiberglass radar mast with deck lights
- Stainless ladder from boat deck to wheelhouse roof
- Stainless handrails with removable section
- Integral cabinet with covered sink
- Controlled water drainage to waterline
- Novurania 13.5-foot tender with Yamaha 50hp 4-stroke

Lobby

- FRP hinged cabin doors from port side to main deck
- Cherry sole with custom inlay
- Stairway to master stateroom
- Passageway to galley and dining areas
- Stairway to wheelhouse

Day Head

- Rosewood vanity top with 6" back and side splash
- Ceramic sink with Grohe faucet
- Tecma Silent Plus toilet
- Cherry sole
- Delta T 4" 110v quiet ventilation blower

Salon

- Double sliding aft doors with fixed glass windows
- Large, low windows for sit-down visibility
- Built-in sofa at starboard side
- Custom cabinet for TV and stereo system
- Lambrequins with wood mini-blinds
- Halogen lighting with dimmer controls
- Ceiling design with wood trim
- Brazilian cherry sole

Galley

- Sliding door at starboard passageway
- Dual sliding panels opening to dining area
- Granite countertops with 4" back-splash
- Drawers and cabinets lined with Formica
- Push-release latches on all cabinets and drawers
- Under-cabinet strip lighting
- Brazilian cherry sole
- Satin finish woodwork
- SubZero stainless 20 cu ft refrigerator
- SubZero under-counter freezer drawers
- Thermador stainless convection oven
- Thermador black-ceramic halogen cooktop
- GE trash compactor (new)
- GE dishwasher (new)
- GE stainless microwave with exhaust fan
- Stainless sink with Grohe faucet
- Insinkerator hot water dispenser
- Insinkerator stainless garbage disposal
- Custom slide-out trash bin

Dining Area

- Custom table with built-in bench seat
- Bar counter with granite countertop
- SubZero refrigerator/icemaker
- Port and starboard storage cabinets
- Drawers and cabinets lined with Formica
- Push-release latches on all drawers and cabinets
- Wood mini-blinds at side windows
- Stairway to forward staterooms
- Two overhead ventilation hatches with sliding screens
- Carpeted sole

Master Stateroom / Heads

Master Stateroom

- King-size walk-around bed with drawers and lockers
- Cedar-lined hanging lockers at port and starboard
- Bureau and vanity cabinets
- Halogen overhead lighting with dimmer controls
- Four opening portlights
- Insulated and cored bulkheads aft and forward
- Brazilian cherry sole

His & Her Master Heads

- Granite vanity tops with 4" back- and side-splash
- Ceramic sinks with Newport Brass faucets
- Tecma Silent Plus toilets
- Shower with frameless glass door, Grohe fixtures, and Scanmix automatic temperature controls
- Delta T 4" 110v quiet ventilation blower
- Brazilian cherry sole
- Opening port light
- Escape hatch at overhead

Forward Guest Stateroom / Head

Forward Guest Stateroom

- Queen-size island bed with drawers and lockers
- Cedar-lined hanging lockers at starboard side

- Manship ventilation overhead hatch with sliding screens/shades
- Custom TV cabinet with tambor door
- Escape/ventilation hatch to forward deck with sliding screen
- Halogen overhead lighting with dimmer switches
- Three opening port lights
- Brazilian cherry sole

Forward Guest Head

- Granite vanity top with 4" back- and side-splash
- Tecma Silent Plus toilet
- Shower with frameless glass door, Grohe fixtures, and Scanmix automatic temperature controls
- Delta T 4" 110v ventilation blower
- Brazilian cherry sole
- Opening portlight

Mid Guest Stateroom / Head

Mid Guest Stateroom

- Two twin beds with drawers
- Cedar-lined hanging lockers
- Bureau and vanity cabinets
- Custom TV cabinet with tambor door
- Escape hatch at overhead into dining area
- Halogen lighting with dimmer controls
- Two opening port lights
- Brazilian cherry sole

Mid Guest Head

- Granite vanity top with 4" back- and side-splash
- Tecma Silent Plus toilet
- Shower with frameless glass door, Grohe fixtures, and Scanmix automatic temperature controls
- Delta T 4" 110v ventilation blower
- Brazilian cherry sole
- Two opening portlights

Crew Galley

- Black Formica counter tops

- Drawers and cabinets lined with Formica
- Over and under counter cabinet storage
- Halogen lighting with dimmer controls
- Woodwork in upgraded teak walls
- Teak plank sole
- SubZero undercounter refrigerator/freezer
- Kenyon single-burner stovetop & GE microwave
- Stainless sink with Grohe faucet

Crew Cabin / Head

Crew Cabin

- Access from sport deck, aft deck, and engine room
- Upper and lower bunk beds
- Cedar hanging lockers
- Bureau
- Two opening port lights
- Teak plank sole

Crew Head

- Marbelite vanity top with 4" back- and side-splash
- Ceramic sink with Grohe faucet
- Tecma Silent Plus toilet
- Shower with Grohe fixtures and emergency door
- Delta T 4" 110v quiet ventilation blower
- Teak plank sole

Aft Utility Area

- Work bench with stainless countertop and tool storage
- Wall Vac vacuum at lazarette
- Storage cabinets
- Frigidaire washer
- Frigidaire dryer
- Watertight door to swim deck
- Access to crew cabin and engine room
- Two opening port lights
- 24v overhead lighting
- Formica headliner and wall covering
- Non skid flooring

- 4 Polyform heavy-duty fenders

Hull Design

Semi-displacement, fine bow entry, generous flair at bow sections, double chine, integral swim deck.

Hull Lamination

- Hand laminated FRP utilizing bi- and unidirectional Cotech, Knytex, high-quality resin, and vacuum bagging
- Divinycell sandwich construction above waterline
- Full-length hull girders of high density foam core and bi- and uni-directional Knytex
- Exterior hull finish in high-gloss off-white Cook gel coat with Vinylester resin laminates for maximum osmosis protection
- Core structural bulkheads padded at hull and bonded
- Putty coat at engine room and bilges for smooth finish

Superstructure & Deck

- Hand-laminated FRP utilizing bi- and uni-directional Cotech, and Knytex with Divinycell sandwich, high quality resin, and vacuum bagging
- Suitable high-compression cores for hardware mounting
- Two-tone exterior non-skid finished in high-gloss off-white gel coat
- Four main bulkheads padded and cored with appropriate sandwich materials

Exclusions

Owner's personal belongings.
