## Overview

---

“DREAM ON” is a gorgeous example of the very popular Princess 85MY. The Princess 85 Motor Yacht is a serious contender on the “small big boat” market as this vessel offers plenty of interior volume and vast deck spaces, making her an ideal family yacht. The decoration of “DREAM ON” is contemporary and offers a superb gloss light oak finish.

The main deck has a spacious cockpit with dining, bar and third station controls. This level also features a fore deck lounge area giving guests another place to spend their time in the sun. The interior boasts a large salon and a dining table on the main deck, while the lower deck sleeps 8 in 4 cabins each with en-suite head. Separate crew mess and 2 cabins for 3 crew. Inside in the salon there is a large lounge and separate dining area. For the benefit of guests and crew, the kitchen and helm are separated forward.

Accessible via the internal or external staircase, the flybridge has dining for all guests, lounge areas, full retreated helm station, tender crane and space for additional sun lounger or water toys.

Also featured on this motor yacht is spacious crew quarters with access from the main deck bulwarks or from the swim platform. They feature a separate dining area, bathroom and accommodation.
