## Overview

---

MAGNUM FORCE boasts impressive performance, a sleek look, and a surprisingly large living area. A 50' Wellcraft Scarab Meteor Performance Express, she has been superbly maintained and is an excellent example of a high-performance boat that you can actually use to enjoy an entire weekend. Always stored in covered dry dock, she has excellent luster, no gel coat blistering or corrosion and zincs are in place. In 2015, nearly all the mechanical, power and electrical systems were overhauled by MarineMax at a cost of \$72,000. She was re-powered in 2008 with triple diesel Yanmars and has less than 495 hours. With a head turning, super-patriotic hull and engines that do justice to this boat's name, everyone in the marina will know that you've shown up in force - MAGNUM FORCE
