## Overview

---

**“High performance ... sensible price” – Seahorse Magazine**

The C&C 30 one-design high performance race boat offers the thrill and technology of big-boat grand prix sailing in a size that’s fun, easy to sail and affordable. No other contemporary offshore capable race boat in this size range offers such proven grand prix features, sleek styling cues and ease of sailing at such a great value.

The C&C 30 combines a stiff, slippery-fast hull, a powerful sail plan, and ultra high-tech construction and materials, with an uber efficient deck layout inspired by the TP52 class. Plus, the boat is also a featherweight flyer that’s tough enough to stand up to the rigors of middle-distance offshore racing too. The fun is just beginning. DYSID:2956335
