DETAILED INFORMATION

Exterior & Interior Accommodations

TOPSIDES

Soft comfortable seating is found in every direction and there's plenty of legroom to stretch out and lounge.

The well-designed helm allows plenty of room beneath the tall bimini top, allowing you to sit easily at the double wide helm seat or stand for a better view. Alongside the helm seat is a gently curved companion lounge, providing room for two more.

Aft cockpit seating includes a wrap-around lounge, with a removable serving table. That table also converts to a sun lounge or additional sleeper and stows below the engine hatch when not in use.

Cockpit's comfort and a convenient wet bar and fridge make topsides entertaining a breeze.

Foredeck access is through the walk-thru windshield, with molded steps alongside the helm. A portside transom gate allows easy access to the swim platform. Engine access is simple as well, with a an electric hatch lift for outstanding accessibility.

DOWN BELOW

Enter the generously appointed cabin through a centerline sliding acrylic door.

The enclosed head compartment is just at the base of the steps, to starboard, and includes vanity, toilet and convenience shower.

Forward along the port side is a convenient galley, with an abundance of countertop area plus recessed Microwave, hide-away stove top and molded sink.

The dinette/lounge is opposite, to starboard and is contoured for true comfort. The dinette will convert to accommodate overnight guests, with a dual-height table and insert cushion.

All cabinetry throughout the Intrigue is crafted in a high gloss cherry finish.

Tucked aft, beneath the helm, is a surprisingly spacious mid-cabin, with a small settee and double berth. The forward berth is a large double, with coordinated pillows.

An overhead cabin deck hatch with built-in privacy shade and removable screen scatters plenty of light and two additional opening vents cap the salon. Screened

opening portlights with privacy blinds are all around and the cabin door includes a sliding companionway screen.
