DETAILED INFORMATION

Manufacturer Provided Description

The Pursuit 2870 Walkaround is built to fish, yet replete with cruising comforts. It features backrests on the stern-facing seats and a tilting aft seat housing the 44-gallon fish box. The forward cabin is raked with a more angled, round-cornered windshield that adds style to her look. Twin Yamaha outboards and a unique hull design deliver a smooth, yet powerful ride. Rigged for landing the big game, the 2870 features a large, insulated cooler / fish box and livewell, four stainless steel rod holders, and additional storage under the gunwale. For total safety, non-skid can be found on all decks and wide walkways. Belowdecks, there is plenty of space and appointments, including a convertible V-berth with storage compartments, a galley, and an enclosed head with sink and pressure water. The cabin design has been created for maximum usable space and a host of conveniences, including optional air conditioning. Stylish fabrics and teak and holly flooring finish the cabin area in style.

Exclusions

Owner's personal belongings.
