SPECIFICATIONS

Overview

(LOCATION: Hernando Beach FL) The Bayliner 3258 Ciera Command Bridge is a wonderful mid-size family cruiser. There's a large bridge with guest lounge for entertaining, cockpit with extended swim platform for fishing and watersports, and a roomy salon with room to relax. The 3258 has space for you to spread out on cruises or at the dock.

Above is an open flybridge with guest seating that fills the port side and rear of the bridge and has the choice of cocktail table, dining table, or sun lounge filler cushion. A swivel helm seat lets the captain join the conversation. Bimini top offers protection from the elements when necessary. Upper and lower helm stations offer the versatility to configure and operate the boat to your style. A ladder takes you from the bridge to the cockpit with access to the side decks, a transom door to the extended swim platform, and entry to the salon.

Go through the slider from the cockpit to find the galley to your left and convertible dinette to your right. The galley has everything you need including a two-burner stove, microwave oven, a dual voltage refrigerator / freezer. A counter divides the galley area from a port side settee, which is opposite the lower helm. Entertainment electronics include CD sound system. A centerline companionway takes you below to two staterooms and head with shower. The forward stateroom has an offset queen berth and hanging locker. The guest stateroom has a full berth. The head with separate shower stall with seat.

The twin 250-hp Mercruiser engines with Bravo II outdrives have been recently serviced during a haul out that included fresh bottom paint. Carefully maintained and well equipped with 5-kw genset, water heater, and 16000 BTU reverse cycle HVAC she is ready to cruise. The current owner is looking to move on, here's your chance to move in on a great deal. If you are looking for a compact cruiser with room for a family, call now for a showing.
