SPECIFICATIONS

Overview

M/Y LUSIA is the largest volume 34 metre Sunseeker ever produced and we believe she is one of the finest examples available. Built and delivered to her original owner in 2011, this 34m is finished in a white hull with elegant Satin Oak interior with Grizzli Cream upholstery.

Designed to give her guests the ultimate in comfort, she features zero speed stabilizers, hard top, air-conditioning throughout, balcony on the starboard side of the saloon, Rib X tender, 2 x Seadoo RXP 255 jet ski, shore converter, night vision camera and much more. She accommodates 12 guests in 5 cabins including the master cabin, 2 double cabins and 2 twin cabins.

Key features:

- Balcony in the saloon - Flybridge - 130 Predator style bar and full wetbar - Spacious master cabin with unique bathroom arrangement - Air-conditioning throughout - Zero speed stabilisers - Hydraulic hi-lo platform (not tilting platform as standard)

She is never chartered and is available immediately in superb condition. 5 years RINA class survey just completed.
