The Hunter Legend is built to perform with style and comfort. She is fast, easy to sail, stable and comfortable. Thoughtful touches abound like a sail design that incorporates a fractional rig, swept-back spreaders and full-roach main. This eliminates the need for a backstay and improves sail efficiency and ease of handling. The exterior design of the Legend includes a custom wraparound windshield, with cover, integrated mainsheet arch with instrument pod, non-skid deck, walk-thru transom, and a huge cockpit with steering wheel. A slippery but stable hull design incorporates a bulb wing keel and a spade rudder. Below decks are the amenities that make a Hunter famous.
