ПОДРОБНОЕ ОПИСАНИЕ

Accommodations

SERQUE is the ultimate luxury custom-yacht. This 133' Motoryacht with a Raised Pilothouse, a 23.5' beam, and a 3,000 mile cruising range was delivered in 2009 by Custom-Splendor Yachts for a "no expense spared" owner. SERQUE's grand exterior was designed by Donald L. Blount and the interior design by Pavlik Yacht Design are complemented by wood work handcrafted in Viareggio, Italy by Genesis Yachtline. Her superior mahogany sapele wood inlays, lush fabrics and advanced technology create a five-star experience on the seas. SERQUE's unique design incorporates spacious walkways and skillful, minimalist craftsmanship with inconspicuously positioned electrical outlets, galley appliances, phones, remote controls, all custom built within drawers and hidden from plain sight. Six luxurious staterooms built from custom, mahogany sapele wood comfortably accommodates twelve guests. Names after the Bahamian Islands, the Pavlik Yacht Designed interiors features Botticino stone with mosaic borders, Italian high gloss furniture and luxurious silk and chenille fabrics. Each room is equipped with individual climate controls, flat screen LCD TVs and access to the Kaleidescape network of movie and music servers via Crestron remote controls. Create your own playlist with iPod docking stations in every stateroom. Take in the views from the aft deck while relaxing in the 10-person hot tub or grilling on the Viking BBQ. Enjoy water sports from the 18' tenders and two custom charged Yamaha waverunners. SERQUE was constructed in accordance with ABS one compartment rules. There are three water-tight doors on the lower deck as well as a full casualty pump system and two fire fighting stations. No expense was spared in regards to safety. Fire, smoke and carbon monoxide are monitored in every area of the boat through the Simon system and fire full out stations located throughout the vessel.
