Manufacturer Provided Description With the 440 Express, Cruisers Yachts has once again created a remarkable class of yachts to which all others will aspire. The 440 offers top-of-the-line performance, stylish lines and an incredible full-size master stateroom amidships. From top to bottom, this sleek new express has been designed to garner worldwide attention. Topside, the 440 is everything an express should be. The helm station includes a custom helm seat, companion helm lounge and the latest in helm design and electronics. She also features the large, removable, wrap-around cockpit seating aft. The sunlounge/table, cockpit refrigerator or ice maker, cockpit shower and integrated swim platform will allow for many a wonderful memory on the water, and the yacht's overall spaciousness above deck will lend well to entertaining dockside. A full cockpit enclosure is standard. Below deck, a crescent-shaped convertible dinette/sofa curves along the starboard side of the yacht, a 20-inch flat-screen TV with combo VCR/DVD offers entertainment for lazy evenings on board, and the natural cherry wood interior creates a richness that pervades the entire living space. The well-thought-out galley to port includes a 110-volt microwave/convection oven, a large refrigerator/freezer, a double sink and plenty of storage for provisions. Forward, a large berth is set into the stateroom such that the space feels airy and comfortable. In addition, the stateroom has private access to the forward head with shower. To port of the companionway lies a door; behind that door lies the master stateroom, a living space that is truly unparalleled in express yachts of this size. An island berth provides the sleeping accommodations - the suite also includes separate head and shower compartments, with a sink and vanity between them in the changing area. There is also plenty of storage for longer cruises. The headroom is truly remarkable.
