Overview

BRING ALL OFFERS!!!

The Tiara 4300 Sovran with Volvo IPS (Inboard Performance System) challenges every assumption about what a boat can be by changing the whole future of onboard performance while elevating enjoyment of the boating experience. Enjoy conversations in comfort while underway with reduced noise and vibration emissions due to the Volvo IPS performance and better fuel economy and durability without the excessive exhaust smoke. The docking ability of this boat is unmatched due to the joystick controls that make low speed maneuverability a breeze in any condition.

With a subtle, single movement of the joystick you are in command of the Tiara 4300 Sovran and the IPS propulsion units respond quickly in any direction.

You now have complete control of your Tiara 4300 Sovran in the tightest docking situations, coming about, reversing or even going completely sideways. The best part about the Volvo IPS system is that it takes up 25% less area in the Tiara 4300 Sovran giving you a fully operational second stateroom with a full head to use.

DETAILED INFORMATION

Vessel Walkthrough

This model features two private staterooms with two heads. Her upscale interior features Corian countertops, solid tongue and groove teak & holly floors, Bose lifestyle stereo system, and high gloss teak dinette table with inlay. The large U-shaped dinette converts to a double berth for an extra guest. The large galley is fully equipped and provides generous space, recessed electric stove with cover and abundant storage above and below. There is a full size refrigerator with freezer above.

With four separate climate controlled areas including the helm area, the main salon, the forward master stateroom, and the aft guest stateroom you will not need to worry about comfort on this boat. The Tiara 4300 Sovran will sleep 6 comfortably with a queen master stateroom forward, an aft stateroom with side by side twins that convert to a full size with filler and a lush Ultraleather /Suede salon dining/sofa that converts to a double berth.
