SPECIFICATIONS

Overview

The Cruisers 455 Express Motoryacht cockpit features the kind of comfortable seating associated with traditional express boats - no separation between bridge and cockpit. A full express-style windshield provides exceptional wind and weather protection, while owners will also enjoy the benefits of the 455's aft hardtop with wing doors and full weather enclosure. Below, the 455 Express Motoryacht will delight owners and guests alike. Behind that deceptively express exterior lies a true aft cabin interior. The bright, airy salon offers a large convertible dinette, comfortable L-shaped sofa with double incliners and a superb view all around. A fully appointed galley with extra-large refrigerator / freezer makes meal preparation on the water a joy for the most discriminating gourmet. And, keeping the desired mood on board is made simple with the deluxe entertainment center and sound system. The luxurious master suite is located aft. It features a corner queen-size bed, generous storage and a large private head with adjoining bathtub with jacuzzi, which is also accessible through a pair of lovely French doors. The forward stateroom features a queen-size bed, plenty of storage and a walk-in closet; it also includes private access to the main head and shower. To accommodate additional family members or onboard guests, a third stateroom with twin berths is located amidships. With plenty of room at the helm for all the latest electronics and available with a range of diesel power options, the new 455 Express Motoryacht is destined to excite the interest of cruising boaters who want the sleek styling and cockpit layout of an express, and the live-aboard comfort and luxury of an aft-cabin motoryacht.
