Brokers Comments

THERAPY has been lovingly cared for by knowledgeable owners. All the "hard stuff" has been replaced or well maintained. Owners of THERAPY have been life long boaters but

are now moving to another season in life. THERAPY is perfect for cruising the loop, Bahamas, Keys, Coastal or comfortable live-aboard. There are many options for buyers in this price range - few are well maintained - THERAPY is well maintained.

Currently in the Bahamas, en-route Stuart Florida in May 2016
